*Career public safety administrator
with 33½ years of continuous
service keeping the citizens
of Virginia Beach safe.*

As your Sheriff John Bell will...

- *Work with the Police Department to develop programs that protect our seniors and youth*
- *Prevention is cheaper than incarceration... Develop programs that discourage criminal behavior thereby reducing victimization and incarceration*
- *Save tax dollars and make room for violent offenders by expanding the use of electronic monitoring devices and work release programs for non violent and less serious offenders*
- *Improve treatment for mentally ill inmates. Reduce incidences of injuries to deputies and inmates by training deputies how to interact with inmates with mental health issues*
